Technical Data:

Carrying device:	A real carrying device - not just a belt around the neck. Ergonomic back plate deploys the weight equally the 4 belts. Individual adjustment for the runner.										
The tray:	Made from ABS highly impact resistant and easy to clean. Firmly mounted base plate for additional stability. Integrated handles for comfortable lifting or manoeuvre in large crowds. Available in different colours. Two standard inlays with different diameters – specific inlays made to order. Stackable for optimized storage and transport.										
Quick Snap:	Forget the times where vendor trays had to be unloaded and uploaded. With Quick Snap the runner releases the empty tray and docks on the filled tray. Saves time and money. Furthermore Quick Snap eases the deployment of the VendorKing										
Additional features:	In preparation – the cup dispenser with the clever shoulder application or the waste bag on the back. Designed for selling drinks out of PET-bottles.
